

ROME, ITALY EXPEDITION

JUNE 4-9, 2024

*"Now to him who is able to do
immeasurably more than all we ask
or imagine, according to his power
that is at work within us."*

Ephesians 3:20

IMAGINE

Planting a church in Rome- this has been the dream of disciples in Italy for years. Now disciples all over the world are making this dream their own. We can see God moving, as we pray for workers to go into the harvest field, to once again raise up, restore and inspire people there.

INFORM

For one week, during this expedition, we will be right in the heart of Rome: sharing, praying, and making connections, to see how God will make a way for us and where the Spirit will lead. This will be a time to get to know the culture and experience this timeless city full of historic landmarks, exquisite cuisines, and world-renowned arts. Many of us will also enjoy visiting the Milan Church the first weekend in June before the Rome Expedition.

INVITE

If you share this dream, we invite you to join us as we explore the "Eternal City" of Rome, Italy. Even if relocating isn't in your current path, join us for a few days or a week. Is God calling you to join the Rome Expedition? Please get in touch with David Hedrick or see our website for more information.
